The detailed programme and application form are posted on our website:
www.univ-paris13.fr/international-business-programme/

Application deadline for entry on the programme is June 30 or October 31 2019

All classes taught in English

Come and Study in Paris on our International Business Programme

September–December 2019
January–June 2020
The programme is open to European and International undergraduate students in Business Management. It offers students a unique international experience and new opportunities for higher education and career prospects. For students taking part in the ERASMUS Exchange programme, the International Programme in Business and Management can be fully integrated in their degree. It provides them with 30 ECTS for each semester. Fall and Spring semester can be taken separately or combined in any order.

What is the International Business Programme at Paris 13?

The programme takes place at the IUT of Saint-Denis, at Paris 13 University. The IUT of Saint-Denis counts a student body of 2,000 undergraduates. The school offers professional curricula. It is located in the northern suburb of Paris, around 20 minutes from Paris by metro or 7 minutes by suburb trains.

Overview of the programme

All courses are taught in English. The programme aims at giving students key concepts, knowledge and skills in the field of Business Management and Business Marketing. It consists of six compulsory modules (common core programme), one specialization course, two or three optional modules and a six-week internship or work-based project. Academic courses and work projects will be given by full-time professors and business professionals. The chart on this leaflet gives you the detailed programme and the academic schedule.

The Fall semester starts in September and ends in December, the Spring semester starts at the end of January and finishes mid-June.

Programme location

Tuition fees depend on the agreement between the home institution and Paris 13 (either home institution fees or regular French tuition fees will apply). For accommodation, a list of resources and contacts will be given to prospective students.

Information
